

Girls' School Sacramento 2008 Summer Study Plan

Student's Name _____

Grade Completed (June, 2008) _____

School Currently Attending _____

Please comment on any areas of academic concern you have (attach more sheets, if necessary):

Do you want GSS Summer Program staff to dedicate time weekly to work on the above? _____

Has your child's school given you any resources (books, worksheets, etc.) on which to work this summer? _____

Is attendance at a summer program required by your child's school? _____

Please attach any pertinent information you may have that will help us develop a plan for your child. Include progress reports, report cards, test results, and other written information. GSS staff will meet to develop a rough plan of action. You will be contacted when it is finished. At that time, we will meet with you to discuss the plan, make changes to it, and finalize it.
